President's Message

What a fun evening we all had on April 1 (no joke), when Ciro Lampasas regaled us with the many adventures he had in establishing and growing his famous neighborhood Italian restaurant. With more

than 53 attendees, we continue to draw large numbers of members to our monthly dinner meetings.

Now comes the last gathering of the 2023-2024 year on Monday, May 6, when Dr. Mark Jones presents a timely discussion of the state of play of the overall battle between Democrats and Republicans for control in Washington, D.C. Dr. Jones will close with an in-depth focus on the 2024 Texas U.S. Senate race and a few other federal and state races in Texas to watch in 2024. Here is your chance to be better informed on what is happening nationally and state-wide that greatly affects all of us.

I look forward to seeing you, and do feel free to bring a guest or two.

Warm regards,
Toby Mattox, President
